

Year 7 Immunisations

Dear Year 7 Families,

On Tuesday, 19 March 2024, Bayside City Council will visit Melbourne Montessori School to deliver two vaccines (Diphtheria-Tetanus-Pertussis (Adult) DTP & Human Papillomavirus) to our Year 7 students.

Please note that you can consent to your child receiving either or both vaccines, or you can decline.

This year, the Department of Health has introduced a statewide online consent system that replaces the paper card system used in previous years. You can access this system using the link at the bottom of this email.

You will be asked to use a 'one time password' that will be an alpha-numeric code that you will receive via text message. If you do not wish for your student to receive these vaccines, please submit a decline response so you do not receive repeated reminders. Please ensure you enter 'submit' on the final summary page and you will then receive an email confirming that your consent has been submitted.

If you have any concerns or need to make the nurses aware of any medical conditions, there is a comment box for you to communicate this. You may be called to clarify this information.

Please find your unique secure URL at: <https://portal.cirv.vic.gov.au//PrivacyCollection/?id=bbb06782-a3c0-ee11-9079-000d3ae1a915&Year7>

Warm regards,
